

"THE BLUE SHEET"

Journey in the Word - 2011
July 11 - Sept 25 (13th Edition)

Welcome to the 13th Edition of the Blue Sheet readings. In this edition, we start our journey through the incredible epistles of John. As you read these powerful passages of Scripture, take note of, perhaps you can even count, the number of times that John uses the word "love." He doesn't mince words as he shares of the characteristics of relationships among God's people. There are some great memory verses here!

We then move to several passages that reveal God's heart for those who do not know Him. Starting with Jonah and working through various passages in the Old & New Testament. See if you can capture the passion of God's heart. Quite an eclectic collection of Scriptures.

A brief look at the life of Daniel, as well as two lesser known but powerful prophets, wrap up this edition. As you read these prophets, it would be good to read a Study Bible and gather some historical and theological background to help you better understand these passages. Once again, our Sabbath days are in the psalms.

Enjoy this summer edition! Remember to read with the understanding of the significance of sharing your discoveries with others!

Some Suggestions

Find a quiet place

Try to find a consistent time

Pick up a journal or one of those composition notebooks

Write down **one** verse that stands out to you from each reading with the date of that reading

Share at least **one** verse with **one** person during the week

If you miss a day, don't go back, start with the current date

Enjoy the journey!

Whatever you do, don't give up!

For a real challenge - read these passages from a different translation than the one you normally read from
